HOLOSUN.COM

Welcome to the GunThots Invitational PCSL Rifle Charity Match for Rocky Mountain Gun Owners. We have been overwhelmed and humbled by the incredible response from our shooting community both in and out of Colorado. Whether you are a shooter looking for a good match, a business looking to expand your brand, or a charitable individual donating prizes to the prize table, we thank you for your time and efforts.

As most of you are probably aware, a slew of anti-gun legislation has been introduced in Colorado this year, chief of which is HB24-1292: an extremely restrictive "Assault Weapons" ban. Your local GunThots reached out to us with an idea of hosting a charity match for RMGO to help raise money for the legal defense of this bill, as well as some of the others. We decided to focus on this bill because it represents an existential threat to our sport of Practical Shooting here in Colorado. The GunThots are covering the range fees for this match, and the rest of the proceeds are going directly to the RMGO legal fund.

We have priced this match extremely low to include as many people as we can - and it is an incredible match for \$50. Please consider donating extra to RMGO if your budget allows. We will have a donation box available.

In the bill, there is a passage in the legislative declaration that reads:

(a) ASSAULT WEAPONS ARE NOT SUITABLE FOR SELF DEFENSE AND ARE NOT WELL-SUITED FOR HUNTING, SPORTING, OR ANY PURPOSE OTHER THAN MASS KILLING;

Thank you for being here and proving these politicians wrong.
