

# It's so over, again!

**RULES:** PCSL, Latest Edition

**COURSE DESIGNER:** Max Leograndis

**START POSITION:** Standing with both feet touching start bar. Carbine is loaded with the safety engaged and buttstock touching belt.

## STAGE PROCEDURE

On the audible start signal engage all paper targets from either shooting area. Engage the spinner from the prone mat only.

Only the wall directly in front of the prone mat does not extend to the ground and acts as a low port.

The spinner acts as two standard rifle steel targets (top and bottom plates) worth 5 points each.

Hitting the stems of the spinner plates will count for score on the corresponding plates

If the spinner is spun completely, the shooter earns the two required steel hits and a **50 point bonus**.

## SCORING

**SCORING:** Freestyle, 20 rounds, 100 points

**TARGETS:** 9 paper, 2 spinner plates

**SCORED HITS:** Best 2 on Paper

**START-STOP:** Audible - Last shot

**PENALTIES:** Per current PCSL rulebook

**BONUS:** If the spinner is spun completely, the shooter earns the two required steel hits and a **50 point bonus**
